

OFFICE OF THE MAYOR

CITY OF WICHITA FALLS **P**roclamation **W**hereas,

when our feathered friends are sick, injured or orphaned the dedicated staff and volunteers of Wild Bird Rescue nurture them back to health and proudly release them to soar the skies to entertain those blessed with seeing their graceful aerobatics or to hear their cheerful songs; and,

Whereas, Wild Bird Rescue is a non-profit organization that cares for over 800 birds each year including clumsy but cute baby Mississippi Kites, speedy little humming birds, majestic Great Horned Owls, waddling ducks and any other winged friend that needs their tender care; and,

Whereas, Wild Bird Rescue operates because of donations, volunteers and passionate leaders like former Executive Director Bob Lindsay who dedicated his life to wildlife rehabilitation and sharing with the public his love for all birds and the beauty they bring into our lives; and,

Whereas, in his memory the supporters of Wild Bird Rescue would like everyone to know that Bob Lindsay and his pipe will always be missed but the impact he had on the organization lives on, as his enthusiasm and devotion are carried in the hearts of all those who work with this fine organization,

Now therefore, I, Glenn Barham, Mayor of Wichita Falls, do hereby proclaim July 5th, 2011 as

Wild Bird Rescue Day

in Wichita Falls, and ask that when you see a bird in flight or sitting high in a tree think of supporting Wild Bird Rescue and remember Bob Lindsay; the best friend a bird ever had.

In witness whereof, I have hereunto set my hand and caused to be affixed the Great Seal of the City of Wichita Falls.

Glenn Barham
Mayor of Wichita Falls
